## PEACE PHILOCRATES

Athens, unable to secure the support of Greece against Philip in spite of Demosthenes, offered to make peace. This Philip accepted as he wished the assistance of the Athenian navy in conquering Persia. All allies on both sides agreed to the treaty except PHOCIS, who, as punishment, was not

permitted to have any voice in  
the matter, Philip, then as leader  
of the AMPHICTYONIC COUNCIL  
destroyed all the cities of PHOCIS  
and compelled them to pay yearly  
tribute
